

YOUR NEIGHBOURHOOD MAP

ENJOY COWLEY

A guide to shops, green spaces and services

COWLEY

This map has been put together by Cowley neighbours to highlight the places that make our community great, as well as just how close and connected they are to each other - parks and green spaces, shops, schools, businesses, services, sports facilities, places of worship, pubs and cafes.

From the centre of this map, nearly everything on it is within a 20-minute walk (average pace) and we've done our best to include all those useful cut-throughs.

Use it to discover a new playground or local business you never knew existed, find a shortcut to make your route to work easier, or maybe plan a jogging or walking loop.
